COMMUNICATION INVENTORY

The following quiz will help you discover the way you use your sensory channels to process information and your primary representational system. Answer each question with the **VERY FIRST RESPONSE** that occurs, from the **examples** given, by circling "a," "b," or "c." This will reveal how you relate to the world.

NOTE: Please remember, circle your **VERY FIRST RESPONSE!** Multiple answers will be discounted. Also, there are no right or wrong answers. There is only your own personal style.

1. **When at the beach, what is the FIRST thing that attracts you?**
 - a. The dark green water, the look of the sky, the ripples in the sand.
 - b. The sound of water splashing, the distant purr of a motor boat, children laughing.
 - c. The feel of warm sun, a cool breeze, wet sand squishing between your toes.

2. **When playing music, what is your PRIMARY reaction?**
 - a. Having flights of imagination.
 - b. Listening to the tone and lyrics.
 - c. Experiencing the way it resonates in your body.

3. **When happy, how do you perceive your relationship to the world at large?**
 - a. As bright and full of light.
 - b. As being in harmony and in tune.
 - c. As feeling energized and alive.

4. **When shopping for a car, what is the FIRST thing you do?**
 - a. Look it over closely and imagine how you would look driving it.
 - b. Talk it over with yourself or someone else.
 - c. Climb in, get a feel for it, and perhaps test drive it.

- a. Viewing the action, the color, the setting or location.
- b. Listening to the music, dialog, sounds in the background.
- c. Emotional responses such as suspense, sadness, love or joy.

9. What was the FIRST thing you noticed when meeting your first love?

- a. His or her looks.
- b. How he or she talked, or something that was said.
- c. The way he or she made you feel.

10. When driving a car, how do you USUALLY find your way?

- a. By looking for road signs, landmarks, or following a map.
- b. By listening to a gps or familiar sounds to guide you.
- c. By getting a feeling or sense of direction.

11. Which of the following is MOST important when going to sleep?

- a. The room is darkened the way you like it.
- b. The room is quiet or with muted background noises.
- c. Snuggling under the covers and feeling cozy.

12. What do you find to be the MOST pleasant way of waking up?

- a. Seeing the sun or the sky beginning to get light?
- b. Hearing usual household sounds or music from a clock radio?
- c. Relishing the warmth of the covers or the smell of coffee brewing?

13. When attempting to make a decision, which method do you PREFER?

- a. Picturing the possible alternatives in your mind's eye.
- b. Hearing an internal dialogue of both sides.
- c. Getting a sense of how you would feel depending on various outcomes.

14. While engaged in sex, what turns you on MOST?

- a. Viewing the action.
- b. Listening to the words your lover uses.
- c. Feeling the sensations.

15. What is your FIRST reaction to someone telling you that they love you?

- a. Picturing the person saying it, or seeing the two of you together in your imagination..
- b. An internal voice exclaiming how wonderful this sounds.
- c. A feeling of warmth and exquisite pleasure.

16. When traveling, what is the FIRST thing you notice about a place?

- a. How the place looks.
- b. The different sounds associated with it.
- c. The feeling it gives you.

17. How would you describe experiencing rapport with someone?

- a. Being with a person who sees things the same way as you do.
- b. Conversing with someone who talks the same way as you do.
- c. Having a comfortable sharing of feelings with another.

Now, add up all the A's, B's, and C's separately. The letter with the highest score is your dominant representational system. The other two scores indicate your alternative information processing strategies. For more information, review the paper: ***The Secret Language of Verbal Communication***.

A's = Visual _____ **B's = Auditory** _____ **C's = Kinesthetic** _____

Please copy your scores onto the front of this form for easy reference. Dr. Ruth will discuss your results with you. To understand the meaning of your results on your own, read the following articles in the order they are listed on www.dynamicresources.net/downloads.htm, "The Secret Language of Verbal Communication" and "Process Words for Creating Instant Rapport."
