Dear Dianne:

Thank YOU for the copies of your Certification meeting evaluation, response to Bob Atkins, and response to Lauren. I have been in frequent contact with Bob lately, and he has not mentioned anything about your responses, so I assume they were satisfactory; I certainly thought you addressed his concerns. Same for Lauren.

I am enclosing one more copy for you: that of the signed Certification Recommendation and Approval form (with Lauren's signature). I am trusting that she did, indeed, send it in to UGS in the envelope I provided. We ought to hear pretty soon from the Dean's office RE: approval. I do not anticipate any problems.

I also wanted to share with you that I received a letter from the Registrar about your transcript. Partly it read: "...I have yet to see such thorough documentation for a learner's work in progress come across my desk... I was so impressed that I shared your letter with (Associate UGS Dean) Dr. John Tallmadge and he encouraged me to write to you and share from both of us our gratitude and appreciation for an excellent job..." My, my, don't I get to bask in the reflected glory of your excellence!!! THANK YOU for being such an exemplary scholar and wonderfully organized individual! You are indeed a pleasure to work with.

Well, I will close for now; call if you need anything. I hope all is well with business and family for you. And I hope to see you again soon.

Warmest regards,

*Willson*

in two copies to UGS?  
I forgot if you told me  
or not - ☺*
